

April 25<sup>th</sup>, 2021

Dear Exhibitors,

We are pleased to announce that we will be offering live in-person shows this summer. At this time, we believe we will be able to mount the shows with the layout that you are used to. We are still pulling together all the details.

Please be aware that **we will adhere to any protocols required (i.e. mask wearing) by the state of New Mexico to protect the exhibitors and the public.** As we know more, we will keep you informed.

This summer, we will be offering in-person and virtual shows. Those who participate in both the in-person and virtual show will be offered a discount on the virtual space. A separate contract will be mailed for the virtual show. We encourage, but do not require, that you take part in both. The virtual presentation for our San Francisco Shows introduced many of our exhibitors to a worldwide audience that drew international sales for many of those who participated.

It will be easy to do the in-person show and to take part in the virtual show simultaneously. The only extra effort is setting up your virtual presentation by uploading images to the website. Participating in the virtual show will increase audience reach and allows clients to be part of the event from their home and across the globe.
